AKUREYRAR
Höldur

Europcar

For the ultimate Iceland vacation we rent out this 4x4 double cab camper. This vehicle qualifies for driving into the highlands, allowing one to explore all places of interest along the way. Sleeping facilities for 2-4 persons (two adults and two children). Cooking and eating utensils included.

- Push button airlift makes camping easy.
- Own 12V electric system / battery
- Gasbottle & battery located outside of facilities
- Tinted rear access door
- Tinted windows and sunroof
- Powerful Webasto® Diesel operated air heating system.
- Lights inside cabin
- Adjustable roof vent
- Two burner gas stove
- Stainless Sink with water on demand
- 12V Refrigerator

Sleeping facilities for 2-4 persons (two adults and two children).

Cooking utensils (i.e pot, pan, coffee strainer, knives etc). Dishes, forks, knives and glasses for 4 persons. The electric system in the camper is 12V and is a separate electrical system to the car and uses its own battery. Lighting and refrigerator is powered by 12V. The battery must be charged on regular basis by connecting it to 220V i.e. during over night stay. This is mandatory in order to have all convenient features such as Refrigerator and Heater working properly. Cabin heat is generated by powerful Webasto® Diesel operated air heater, adjustable thermo switch is located inside the facilities. A convenient push button airlift makes camping very easy. Minimum rental age is 23 years. Delivery and Return only available at Europcar Motorhome Center at Ásbrú. 7-10 min drive from Keflavík Int'l Airport. Free Shuttle Service from Terminal. Open every day from 08:00 to 18:30. Delivery Fee outside opening hours is €200,-
